The Dressage Show Ring is Isenbard's Future!

Sired by Oldenburg foundation stallion Ideal, this athletic and springy guy is a joy to ride and a real pet in the barnyard. Presence, trainability, lovely and light gaits, and a winning personality – Isenbard has them all. Bought as a yearling for an event prospect, Isenbard's talents have blossomed in the dressage ring – where he deserves to reach his potential!

Isenbard has plenty of lower-level eventing miles, with solid scores and ribbons. He is trained through Third-Level movements and has what it takes for Prix St. Georges. Changes, counter canter, pirouettes, halfpass, lengthenings, beautiful free walk... it's all there, just waiting for a real dressage rider to nurture his talent and help him meet his destiny.

Isenbard was deemed a Premium Colt by the International Sport Horse Registry, garnering an 8.3/10 – the winning score – in his 2005 inspection. In 2010 he received an 8.1/10 in the USEA Young Event Horse Program – one of the highest scores in the country that year. He's papered and branded and has had only one owner other than his breeder in California.
